Individual Reflection W1 - Kevin Svensson

- What do I want to learn or understand better?

  I aim to achieve a deeper understanding of working as a team as well as developing software.

- how can I help someone else, or the entire team, to learn something new?

  I can make myself available for questions and also offer to help people in areas where I have more experience.

- What is my contribution towards the team's use of Scrum?

  Nothing so far.

- What is my contribution towards the team's deliveries?

  So far I have been part of all forms of meetings, where I have tried to listen to everyone's ideas as well as offer my own.
